

Comments to tables 3.7

Data on wage arrears till December 2001 are presented as of the 10th of the following period.

Starting January 2002, the SCS has provided data on wage arrears as of the 1st day of the following period.

Employees can be registered at enterprise without having any work there, and in this case the wage is symbolic, but they keep the social benefits attached to the job. Most of unemployed receiving unemployment benefits undergo re-training. Vacancies are job offers actually reported by enterprises. Economically active population includes both employed and registered unemployed.
